# PERFORMANCE DRIVEN

## WHY CHOOSE MAXWELL FABRICS?

The guiding principle of our development process is that good design is not simply about visually-pleasing aesthetics; it must be accessible, functional & perform in real life. Performance means so much more than high double rubs. The Maxwell commitment to performance begins with service & extends to the technical & aesthetic elements of our products. Maxwell Fabrics works with innovative suppliers & technologies to ensure that our textiles & wallcoverings bring residential hand styling to the realm of performance-driven contract design.

## SPRING 2022 COLLECTION

This season, we were inspired by the romantic imagery of a lush and moody garden by moonlight. With **Midnight Garden**, we explore brilliant hues and floral motifs contrasted with cool and contemporary staples. Click [here](#) to watch our collection video, presented by Design Director, Zoë Anderson.

### AT THE WINDOW:

We expand on a core category, wide-width sheers, by introducing four clean & simple NFPA 701/CAN ULC S109 batiste & voile constructions merchandised into a go-to book, **Sheer Basics**. Additionally, we follow up our first 3-pass blackout book with **Blackout II**, including two new textures.

### PERFORMANCE UPHOLSTERY:

Our **FibreGuard-by-color** category, **ColorGuard**, gets an update with two new books, **Mosaic** & **Pashmina**. All styles are stocked with **FibreGuard** for cleanability or **FibreGuard Pro** for moisture barrier. This decorative compilation is supported by the durable, foundational upholstery qualities of **Performance Textures II**.

## BLACKOUT II - 3 PASS BLACKOUT

Blackout II is the next instalment in our **3 pass blackout series**, with a light-blocking layer built right into the construction. These three clean, modern drapery textures are **100% blackout**, and pass NFPA 701 and CAN ULC S109.

- 3 patterns (Ersa – Galileo – Orion)
- 48 skus
- Suitable for residential & contract drapery
- 55" wide
- All patterns pass NFPA 701 & CAN ULC/S109
- 100% polyester face with 3-pass 100% acrylic blackout backing
- Passes Oeko-Tex standard – environmentally safe & free of harmful substances
- All patterns are washable
- Includes 5 rebooked colorways of pattern Ersa (Almond – Charcoal – Elephant – Marshmallow – Mist)

## COLORGUARD

is Maxwell's Fibreguard-by-color category. Exclusive designs coordinate & complement a range of small-scale patterns, textures & solids, styled over two performance color books. All styles are stocked with either FibreGuard or Fibreguard Pro.

**Performance upholstery constructions pass ACT (Association for Contract Textiles) Performance Guidelines for Woven Upholstery Fabrics - High Traffic/ Public Spaces**

Mosaic's color story reflects the vibrant hues of Spanish gardens, with pomegranate, cypress, & aqua.

Pashmina showcases neutrals from egret to black pepper, drawing inspiration from the incredible range of wool tones found in nature.

Standout patterns include **Barrio**, a modern take on a trellis design rendered in chic faux wool; **Alameda**, a subtle all-over watermark-effect chenille; **Bendito**, a multi-color horizontal stria with chunky bouclé yarns; and **Camino**, a modified Greek key with a matte/shine contrast in the construction.

- 2 color books (Mosaic – Pashmina)
- 8 exclusive patterns (Alameda – Barrio – Bendito – Camino – Ferran – Marconi – Ramon – Salamanca)
- 129 skus
- 74 skus stocked with FibreGuard
- 55 skus stocked with FibreGuard Pro (moisture barrier technology – anti-microbial, mildew & odor resistant)
- Suitable for residential & contract upholstery
- Passes 35 – 100K double rubs Wyzenbeek
- All patterns meet or exceed ACT standards for woven upholstery fabrics for abrasion, flammability, wet & dry crocking (dye transfer), colorfastness to light (resistance to the fading effect of light), pilling, breaking strength & seam slippage
- All patterns pass NFPA 260 CLASS I (UFAC) & CAL 117-2013
- All patterns are compliant with CAL AB-2998
- Passes Oeko-Tex standard – environmentally safe & free of harmful substances
- All patterns are washable

## PERFORMANCE TEXTURES II

Following up on the success of Performance Textures, the second instalment introduces another round of must-have FibreGuard textures with a focus on natural, neutral tones & shades of denim blue.

- 13 exclusive patterns (Ajax – Castor – Gonzalo – Lennox – Nemo – Neruda – Nestor – Nori – Oberon – Prospero – Provost – Rugby – Swift)
- 48 skus
- Stocked with FibreGuard
- Suitable for residential & contract upholstery
- Passes 30 – 100K double rubs Wyzenbeek
- All patterns meet or exceed ACT standards for woven upholstery fabrics for abrasion, flammability, wet & dry crocking (dye transfer), colorfastness to light (resistance to the fading effect of light), pilling, breaking strength & seam slippage
- All patterns pass NFPA 260 CLASS I (UFAC) & CAL 117-2013
- All patterns are compliant with CAL AB-2998
- Passes Oeko-Tex standard – environmentally safe & free of harmful substances
- All patterns are washable

HOSPITALITY HEALTHCARE CONTRACT

800-663-1159 EXT 6 | [maxwellfabrics.com](https://maxwellfabrics.com)

The fabrics in the ColorGuard and Performance Textures collection have been treated with FibreGuard or FibreGuard Pro which builds permanent stain release properties into the fiber structure to make cleaning easy. Since the protection is built into every fiber it will last the life of the fabric.

#### General Spot Cleaning Instructions for FibreGuard:

1. Remove any remaining stain residue with a teaspoon.
2. Apply water to the stain and blot using a white paper towel (do not rub in a circular motion). Repeat the process until the stain residue is no longer visible on the paper towel.
3. Apply more water to the area (for stubborn stains, a normal household bar of soap may be necessary) and gently rub with a microfiber cloth. Use circular movements for best results. Repeat the process until completely removed (when using soap, use intermittently).
4. Allow the fabric to dry naturally. Do not apply heat.

## SHEER BASICS

We built upon our sheer hanger capsule collection from the fall by adding new colorways to batiste & voile constructions **Lumos** and **Leviosa** as well introducing two new qualities, **Diagon** and **Glisseo**, all shown together as a go-to stack book.

- 4 exclusive plains (Diagon – Glisseo – Leviosa – Lumos)
- 47 skus
- Suitable for residential & contract drapery
- 118" – 126" wide
- All patterns shown railroded
- All patterns pass NFPA 701 & CAN ULC/S109
- 100% polyester
- Passes Oeko-Tex standard – environmentally safe & free of harmful substances
- All patterns are washable
